Description

LUQA - Fully furnished and set on a 300 sqm plot in a 4+1 area, this impressive 4-bedroom Terraced House with a built-up area of 195 sqm includes a street-level 4-car garage.

The ground floor features an entrance hall, formal living/dining area, a study, main bathroom, an air-conditioned open-plan kitchen/living/dining area, an internal yard and the garage.

On the first floor, you'll find a landing with a balcony, an air-conditioned main bedroom with a walk-in wardrobe and balcony, plus 3 more double bedrooms—two air-conditioned and one with a private terrace.

The second floor has a roof with 14 solar panels, which provide energy efficiency. The property is being sold freehold.
