Description

QORMI - An unconverted 1-bedroom Duplex Maisonette set in a UCA area, enjoying traditional features and full of potential.

The property features a cellar located at the basement level and a spacious ground-floor room, ideal for conversion into an open-plan layout. On the intermediate level, there is a large room currently used as a bathroom. The first floor features a spacious room with a front balcony, suitable as a double bedroom, and an additional bathroom that leads to a back balcony.

Original features include arches, stone slabs, and a skylight. Being freehold and tax-free on purchase, this property makes a great investment or restoration project.
