## Description

ST. VENERA - This newly refurbished, fully air-conditioned 4-bedroom first-floor Maisonette offers generous space and modern comfort.

The open plan kitchen, living, and dining area leads to an internal yard, creating a bright and practical layout.

The property features 2 spacious bathrooms, a double bedroom with a balcony, a second double bedroom, a triple bedroom, and a single bedroom, making it ideal for larger families. A laundry room adds further convenience.

Enjoy outdoor living with a large roof terrace, perfect for entertaining. Features such as a TV, microwave, and outdoor furniture add convenience.
