Description

SIGGIEWI - This wide-fronted, unconverted 14-room House of Character offers incredible potential, complete with a 1-car garage, cellar, reservoir, and a beautiful 60sqm garden with mature trees. Located in a UCA area, it benefits from a tax-free purchase.

Rich in heritage, the property showcases stunning traditional features including a stone staircase, stone slabs (xorok), corbels (kileb), arches, mangers (maxturi), wooden apertures, flagstone flooring (cangatura), exposed stone walls, and high ceilings.

The ground floor consists of an entrance hall, two large rooms, a bathroom, a central courtyard with a storage room and another sizeable room, along with additional rooms and garden access.

The first floor includes a large ghorfa overlooking the courtyard, two spacious rooms—one with a birth room and terrace—and an additional room featuring a fuklar (traditional fireplace).

Freehold.
